Instructions for Hanging

Step 1

Insert the poster into the Slim Holder by either sliding the poster into the holder or tapping the holder onto the poster. Fig. 1
Note: For thinner substrates, it may be necessary to staple the edge of the graphic before inserting into Slim Holder.

Step 2

Slide Slim holder into AnoMulti holder. Fig. 2

Step 3

Place cable onto inner channel of Cable Clip. The cable should snap into place. Fig. 3

Step 4

Align one end of the Cable Clip with the top channel of the aluminum holder. Insert one round end, then press down on the other round end and slide Cable Clip into rail. Fig. 4

Step 5

Push end caps into place. Fig. 5

Step 6

Suspend poster. Fig. 6

Important note:

Please save and reuse the AnoMulti, Cable Clips, End caps and MultiClips for future projects.
